

CARE & CLEANING

A gentle cleaning now and then will extend the life of your window treatment and preserve the look you love. Here are a few tips for the best results.

Do Use

Compressed
Air

Damp
Cloth

Mild Soapy
Water

Soft Feather
Duster

Soft Sponge
or Brush

Vacuum
Cleaner

Don't Use

Harsh
Solvents

Abrasive
Materials

Remember:

- Carefully use the vacuum cleaner on the lowest setting
- When using water, make sure to leave the shades, blinds and drapes closed until completely dry
- Do not scrub your window treatments
- Gently dab at spot or stain
